

DISTINGUISHED SERVICE AWARD

PURPOSE

To recognize and honor those who have given exemplary service to the American Orff-Schulwerk Association and contributed to the growth of Orff Schulwerk in the United States.

This honor bestows:

- Lifetime honorary membership with lifetime complimentary conference registration.
- Certificate of recognition.
- An award presented at a national conference.
- An opportunity to share philosophy and life experiences in Orff Schulwerk via videotape to be placed in AOSA archival and lending libraries.

GUIDELINES

1. Selection will be based on the following criteria:
 - Nature and extent of active participation in and service to the American Orff-Schulwerk Association.
 - Length and quality of involvement in the Orff Schulwerk movement.
 - Impact of service on community, state, or nation.
 - Impact on the growth and acceptance of AOSA aims and objectives.
2. Nominations may be made only by current members of AOSA. No current member of the AOSA National Board of Trustees may be nominated.

Nomination forms are available from the Executive Director.

Nominations must be received at the AOSA Executive Headquarters by August 1st and must include three, but no more than three, additional letters of recommendation which should take into consideration the criteria listed.

All applications will be kept on file and reviewed for 3 years. After 3 years, all applications must be resubmitted.

3. The membership committee will present no more than 3 nominees to the National Board of Trustees at the September meeting for final selection.

No more than one award will be given during each year. However, this does not mean that an award must be given every year.

4. A letter of acceptance is required of the recipient prior to the conference.
